The image shows a smartphone screen with a mobile application interface. At the top, there are two options for delivery timing: "As Soon As Possible" (selected with a checkmark) and "Schedule an Order" (unselected). Below this is a section titled "Delivery Details" which contains input fields for "Name", "Mobile No.", and "Mobile Number". The "Mobile Number" field is highlighted with an orange border. Below the delivery details is a "Promocode-" field with an "Apply" button. The "Delivery Address" is set to "Yangon International School, Yangon, Myanmar (...)". There is also a field for "Add Delivery Note.". The bottom section is titled "Order Details" and shows a price breakdown: "Total Delivery Price" (0 KS), "TOTAL PRICE" (0 KS), "Item Price" (2 Item, 1,000 KS), "Tax" (50 KS), and "TOTAL ITEM PRICE" (1,050 KS). The final "Total" price is displayed as "1,050 KS".
